SUCCESSION PLANNING DATA
ATTORNEY REGISTRATION 2022-2023

October 19, 2022 | Harrisburg, Pennsylvania

The Disciplinary Board believes that succession planning is essential to every attorney's practice. Recognizing that the future is unpredictable, attorneys should strive to lessen the impact of unexpected interruption in their relationships with clients by taking protective measures. During the 2022-2023 annual attorney registration period, the Disciplinary Board surveyed Pennsylvania attorneys regarding their plans to protect client interests in the event of the attorney's death or disability. The question was designed for informational purposes only as failure to have a designated successor is not a violation of the Rules of Professional Conduct or the Pennsylvania Rules of Disciplinary Enforcement. The Board requests attorneys notify the Attorney Registration Office of any change to the provided information should such a change occur prior to the next registration period.

Attorneys were provided the following options for response:

- *In the event of my death or incapacity, I have made arrangements for another Pennsylvania attorney, who is capable of conducting and/or overseeing my legal practice, to protect the interests of my client(s). My designated successor is:*
 - *An Individual; or,*
 - *A Law Firm.*
- *I do not have a designated successor because I do not have private clients in Pennsylvania.*
- *I do not have a designated successor and I do have private clients in Pennsylvania.*
